

## D. BRUN DEL RE

**Booking:** Spezialmaterial Records, Langstrasse 122, 8004 Zürich, Telefon +41 76 527 85 62, koko@spezialmaterial.ch

### PROJECT

**D. Brun del Re's**, spontaneously created, multi-layered techno sound is a carpet knotted of self-made sounds and noises as well as instrumental recordings, which becomes magic by way of digital distortion and real-time modulation. The spectrum ranges from atmospheric sounds way into acerbic dance music. He started his solo project 2005, besides the project person. D. Brun del Re is also Dj'ing in various club locations around the world.

### BIO

**Dominik Brun del Re**, \*1976, plays drums and guitar. Since his childhood, he has jammed and improvised with many professional musicians. He studied art at the F + F School in Zurich. His musical endeavours are strongly influenced by experimental hiphop and industrial. Besides making music, he also paints and has travelled widely with various performance art projects. In the mid nineties, he turned to electronic music.
